

How to find my practice

My practice is located in center of Hamburg in a street called „Große Bleichen“. The house number ist 21. It is easy to find, when you look for the „Galleria Passage“.

Please enter the Galleria mall. On the left hand side you will pass 2 fashion shops and then find an entrance to a stairway named „21 a/b“. Enter there and ascend to floor 3.

You will see a digital doorbell. Tag my name GOETZE with the cursor and press the ring button. I will open the door and come to pick you up.
